

Bachelor of Ayurveda Medical and Surgery (BAMS) Eligibility Criteria

- **Minimum Educational Qualification Required:** 10+2 or equivalent examination with Science (Physics, Chemistry and Biology) as mandatory subjects.
- **Minimum Marks Required:** 50% to 60%, varies from college to college.
- **Age Limit:** The age limit for the BAMS program is 20 years for general category and 24 years for reserved category.

BAMS Admission Process

- **BAMS admissions in India** are done on the basis of entrance exams.
- Candidates have to apply for the entrance exam i.e., NEET-UG and appear in it.
- After the results are out, the conducting authority of the examinations prepares a merit list, basis which counselling process is conducted.
- Candidates who make it in the counselling process are allocated seats for BAMS course at different colleges.

The following flowchart will help you understand the **BAMS admission process** better.

BAMS Entrance Exam

- NEET-UG (National Eligibility-cum-Entrance Test for Undergraduate Programme) is the national-level entrance examination conducted for BAMS admissions all over India.
- The examination is conducted by the National Testing Agency (NTA) every year.
- The counselling for the examination is centralised counselling.
